***Another Way to Grow in the Lord.***

**For adults: Forward: Discovering God's Presence And Purpose In Your Tomorrow by Dr. David Jeremiah.** Jeremiah gives you practical insights into the "what's next" in your life, with a step-by-step plan of action you need to move past where you are to where you want to be. You'll learn how God wants to expand your dream, give you divine direction, plant within you a life purpose, equip you with tools to overcome fear, grant you personal accomplishment, and lead you to a mission that will outlive your life.

**For tweens/Tribe: Shaken by Tim Tebow.** During both incredible victories and crushing defeats, Tebow has known what really matters – he is loved by God and God determines his identity. Shaken is not just an update of Tebow's story; it's also about the story God is writing in your life – His amazing plans for you. It all begins with understanding not just who you are but whose you are. You have a God-designed purpose for your life!

It's going to be a busy and exciting couple of months coming Up!!

### NOTE...

Please be patient with us as we navigate the entrance each Sunday until we have the concrete out front poured (hopefully soon). Our Greeters are there to help and assist you as needed. The Wood Walkway is there each week to enter the lobby.

If you are physically able, please leave the parking spots in front of the former sidewalk open so those unable to walk well can have closer spots and easier time arriving to church.

Thank You.

# This Month in KidzClub...

Jesus was a true trailblazer—not just for his time, but for all time! Jesus' teachings and way of life often went against the grain of what people expected, showing us a whole new way to live and love. While blazing new trails, Jesus never wavered from the path of following God, and he paved the way for us to follow his lead. In this 4-week series, kids will learn to trust Jesus even when it's not easy, show others the way to God, let God's love take the lead, and pray the way Jesus prayed.
